2 New Logo Ideas

1. 1st Cloud Technology Round 2

1. 1st Cloud Technology (Idea 2.1)...

* Back up to 100% Opacity of Cyan in cloud

* Added VOIP symbol

* Added CCTV Symbol

* 'Idea' symbol comes out

* Just one 'WI-FI' symbol
(I think you mean –
take one of the 'RSS'
feeds out)

1. 1st Cloud Technology (Idea 2.1)...

* Same but no clutter..

1. 1st Cloud Technology (Idea 2.2)... Lighter colour...

* 50% opacity might cause problems

* So I have picked lighter colour

PANTONE 297 ?

I have a Pantone
book if you want to pick
exact colour?

1. 1st Cloud Technology VOIP Symbols

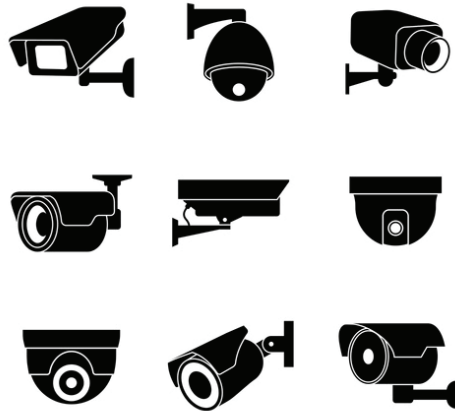

1. Idea 1 (I used this)

2. Idea 2

3. Idea 3

4. Or idea 4 – this is a comp image of
a vector I could buy
(and take colours out) if you prefer?
